

NORDICLINE FL2 PI AIDA

Serve-over cabinet

Premium presentation of all frozen products.

NordicLine FL2 PI Aida is an innovative display range where design meets functionality and the latest technology meets eco-friendly ideals.

Increase sales with an eye-catching display

The best technical performance in its class

NordicLine FL2 PI Aida has been developed to meet the most demanding customer needs and truly has it all – from outstanding design to superior technical details. Environmentally friendly refrigerant R290 is standard for most models.

Efficient use of floor space

NordicLine FL2 PI Aida is a versatile, easy to maintain and eco-friendly range of display cabinets for pastry, snacks and other delicacies. Several cabinet models from service to self-service and different colour options make it a perfect fit for a convenience store or any shop floor or café, no matter how small. New self service models with glass covers offer a fast and convenient way for shoppers to do their purchase.

NordicLine FL2 PI Aida has plenty of shelf space. Glass shelves and two front glass options make for great product visibility. This versatile display family truly is a masterpiece.

NordicLine FL2 PI Aida is available as a plug-in cabinet.
